

W HOTEL BARCELONA

Hotel W Barcelona is one of the best hotels in the world. It is a stunning architectural masterpiece, designed as a sail, on the sands of the Barcelona shores. Truly thought as a modern vaisseau – let's say modern art – the W Barcelona is also a fantastic and dynamic hotel where the locals and international crowds gather to enjoy a drink whilst admiring the skyline of the city.

Inspired by the dynamism and artistic feel of the city, every space of the hotel gives tribute to Barcelona. The large glass windows let the light in and offer superb views over the city. The bedrooms benefit from the spirit. Each is finely decorated with a modern touch and tech gizmos. Service is also up to the level, with staff accustomed to cater for demanding people.

The rooftop bar and lounge is a trendy destination for the it crowd. They can enjoy there cocktails and all sorts of drinks to get in the mood for any of the parties happening in town. And the morning after, simply relax at the Spa or by the pool, enjoying the sun and the Mediterranean. The W Barcelona is definitely one of the best hotels in the world.
